RE: GAHRA Day at the Capitol
DATE: January 19, 2010

The GAHRA State Government Relations Committee, in conjunction with Mr. Bill Fallin, has made arrangements for GAHRA to host “A Day at the Capitol”, Tuesday, February 16, 2010, in Atlanta, GA at the Georgia State Capitol Building.

The State Legislative Committee would like to extend a word of encouragement for everyone to join us at the Capitol on the 16th of February. The purpose of our change in agenda is productivity. Our focus this year is getting to our legislators, not anticipating that they will come to us. Therefore, it will be necessary for you to contact your legislators in advance. Let them know you will be at the Capitol that day and would like to see them in any capacity as well as join you for lunch if possible. It should be fun. Please call Bill, Mark, Calvin, or Becky if you need more instructions.

The lunch will be served in the Governor’s Conference Room #107, located on the first floor of the Capitol Building from 11:45 AM – Until. You are encouraged to contact your State Representative and Senator before this event in order to schedule an appointment to meet with them prior to the convening of the daily legislative session at 10:00 AM, and to invite them to stop by for lunch.

The tentative schedule of events is outlined below:

<u>Activity</u>	<u>Time</u>	<u>Location</u>
Meetings with your Legislators	9:00 – 10:00 AM	Legislator Office Bldgs.
Picture with Governor	10:30 AM	Marble Steps

The GAHRA State Government Relations Committee sincerely requests your attendance. We would like for you to bring as many Staff, Commissioners, Local Elected Officials and Community Leaders as possible. The registration fee for this event is \$50.00 per person. We would like to welcome our elected officials with a large turnout of GAHRA representatives. Please find attached to this packet an invitation for you to forward to your State Representative and Senator for the event. Please take the time to mail or fax this invitation to them, and then follow-up with a phone call to schedule an appointment to meet with them on February 16, 2010 before the beginning of the daily session at 10:00 AM.
