

# Georgia Association of Housing and Redevelopment Authorities (GAHRA) 2022

## Summer Maintenance Workshop Vendor Registration Information

GAHRA's Maintenance Committee is sponsoring a three-day "hands on" workshop, designed to give maintenance professionals of Public Housing Authorities an opportunity to have training in specialized areas of the maintenance industry. This is the 24th workshop for Georgia's Public Housing Maintenance employees. Last year we were very successful in this endeavor. We had authorities from Georgia, South Carolina, Alabama, Florida, Mississippi, and Kentucky represented by approximately 160 registered attendances. This is a great opportunity to meet a large group of potential clients all at the same place and location.

Materials, supplies, tools, contractors and consultants are a very important part of the maintenance operation of every Public Housing Authority. Therefore, we would like to give every vendor of this nature an opportunity to meet with these Maintenance Professionals and display their products.

This year the Summer Maintenance Workshop will be held at Marriot Macon City Center, Macon, Georgia, July 12-14, 2022.

Due to the many requests for registration information, we feel this will be a very popular event for vendors. To accommodate the expected rush of vendors, and the limited size of the exhibit area, we will be registering on a "First Come, First Serve" basis. To facilitate this registration process we are currently offering an "Early Bird" registration. Also, there are opportunities for your company or business to sponsor such things as receptions, meals, or breaks. This would be an outstanding additional opportunity for your company or business to spotlight your products and services.

There will be a prize drawing during Wednesday evening of the event, if you would like to donate a door prize please check the block on your registration form.

If you are interested in registering and would like to reserve a booth at the Summer Maintenance Workshop, please fill out the attached form. If you have any questions or would like more information please feel free to contact **Joe Wisniewski** at 706-533-2860 (e-mail [jwisniewski@augustapha.org](mailto:jwisniewski@augustapha.org)), or **Gary Woods** at 229-938-6648 (e-mail [gwoods@americuspha.org](mailto:gwoods@americuspha.org)).

Thank you in advance for your support of GAHRA.

Sincerely,

GAHRA Maintenance Committee
